

### REMARKS

The following remarks are supplemental to those in the Response under 37 C.F.R. § 1.111 filed April 12, 2006. Applicants submit the above corrected listing of claims remedies the deficiencies of the April 12 Amendment outlined in the Notice. In particular, pursuant to 37 C.F.R. §1.121, the status identifier of claim 3 now correctly indicates the status of the claim as "currently amended," and the status identifier "currently amended" has been added to the listing of claim 7.

No new matter has been added by this amendment. Applicants believe that the corrected listing of claims above now places the Amendment under 37 C.F.R. § 1.111 submitted April 12, 2006 in compliance with C.F.R. § 1.121.

### CONCLUSION

Entry of the foregoing amendments and remarks into the record of the above-identified application is respectfully requested. Withdrawal of all rejections and reconsideration of the amended claims is requested. If any issues remain in connection herewith, the Examiner is respectfully invited to telephone the undersigned to discuss the same.
